FIRST ANNOUNCEMENT

The conference will provide a forum for people responsible for managing European clinical trials at the institutional level to discuss and work through the various challenges they face in their work in a supportive environment with peers and colleagues. Particular emphasis will be placed on the practicalities of ensuring patient safety by adhering to Good Clinical Practice (GCP) whilst complying both with "local", national and European legislation.

Florence Scientific Committee
 Chairman: Prof. Gian Franco Gensini
 Dr. Riccardo Gionata Gheri
